Tendering Authority	National Business Initiative (NBI) South Africa	Tender Agent: Dietmar Ziller Eltinger Strasse 60 70195 Stuttgart, Germany Email: <u>dietmar.ziller@as-ziller.de</u>
Project description	South AfricaEltinger Strasse 6070195 Stuttgart, Germany	
IVEQUESIED SELVICES	This tender concerns the appointment of an Implementation Consultant (IC) to support the NBI (Project Executing Agency) in the implementation of the program. The support to be provided by the IC comprises two parts i.e. development consultancy services and construction project management services. This implies the management of projects within the built environment from conception to completion, including management of related professional services. The Construction Project Manager is the one point of responsibility in this regard.	
	The IC shall be a competent firm or firms, in the case of providing:	a joint venture, that has experience in

¹ EDGE ("Excellence in Design for Greater Efficiencies") is a free software, a green building standard, and an international green building certification system (https://edgebuildings.com/)

 a) Development consultancy services with experience in German Financial Cooperation project implementation or similar, and b) Construction Project Management Services with experience in sustainable construction R green building compliance certification as well as in inclusive construction management i.e., ensuring the involvement of local, Small, Medium and Micro Enterpress (SMMEs) and Iocal about smust be registend with the South African Council for the Project and Construction Management Professions (SACCMP). To enable the effective roll out of the construction programme, the IC will be responsible for amongst others: Acting as the principal agent during the construction phase of the programme. The provision of Construction Programme, the IC will be responsible for amongst others: Acting as the principal agent during the construction phase of the programme. The provision of Productment Support to the NBI particularly for the tendering of main Construction Project Professional Services The provision of Construction Programme meets the prescribed community liaison and stakeholder management requirements. Commanging the disposition account / os-ginging of Withdrawal Requests & Evidence for the Use of Funds to KW. To support the NBI in renote monitoring & evaluation as well as in reporting. In ine with South Africa's Broad-Based Black Economic Empowerment (B-BBEE) Act and relevant sector codes as ABEBE Erating will apply. In addition, since there may be future funding phases, the contract of the IC will include the option for further contract amendments to expand the consulting services for additional IRM ables. Beru Contract amendments to expand the consulting Services for additional IRM ables. Prod of compary registration with the CIPC		-
1. Acting as the principal agent during the construction phase of the programme. 2.
